These words I am hating
They are of your making
After all
You said you were done being the one to break me
I tried to continue
But I couldn't see you
I was blind
What happened to you never leaving my side?

Break the boundaries and
Let me fall asleep

All I am now
Was never who I thought I would be
(As soon as I fell asleep)
It changed me
It changed me
It changed me...
All I know now
Was what I thought I could believe
Cause dreaming is everything
It scares me
And it scares me
It scares me...

Taking advantage
Breaking the habit
It was just a tool
I'm not worth the time
And I know now
You're blinded
The signs were there
I dreamed that I loved you
I'm sure that part was true
But you came to me
I was fooled by my own foolish dreams

Now I can't wait for you to
Bring me down to you...

All I am now

Was never who I thought I would be
As soon as I fell asleep
It changed me!
All I know now
Is what I thought I could believe
Cause dreaming is everything
And it scares me somehow!

Trick me to sleep
Push down on me
Until I may find
The words you wrote in your lullaby

Lullaby
Lullaby
Lullaby...
