I never spoke any of the words you said you heard  
Making faces I don't deserve  
Oh, the nerve  
Well I know something that'll take you out

I never tried to cross the line  
Though in disguise  
Oh, my emotions took their time telling me why  
Well give me one more second  
There's a really good explanation to this

Take time  
And realize  
That I'm not  
The past is only there if you wonder

And you think you've got it bad  
But I'll be living the life that you can't have  
And you've lived your life so radical  
I'll never trust my heart again

I'll never trust this heart again

Oh, again

I never got past all the lies  
But oh, I tried  
Hidden faces in disguise  
And I can't find the one that belongs to me  
And yes, I know you I deceived

Take time  
To realize  
That I'm not  
The past is only there if you wonder

And you think you've got it bad  
But I'll be living the life that you can't have  
And you've lived your life so radical  
I'll never trust my heart again

Again

Again  
Again...

I'll never trust this heart again...
