Take a look around this room
And tell me what you know
I want you to let it show
Don't guard the truth
Hesitate to draw the line
And I want you to let it shine
This light, this life
Are too much to try to handle

You don't have to worship me
Cause I said so
And you do know
That doing this will not show me that
I can be myself
Wasting time
Draw the line
Cause if you try to change me again
I might just put it up and let it slide

And oh,

You'll just have to crawl
If you're gonna stay down like that

Cause I said so
And you do know
That doing this will not show me that
I can be myself
Wasting time
Draw the line
Casue if you try to change me again
I might just put it up and let it slide

Worship the change (x3)

You don't have to worship me
Cause I said so
And you do know
That doing this will not show me that
I can be myself
Wasting time
Draw the line
Cause if you try to change me again
I might just put it up and let it slide

You don't have to worship me
Cause I said so
And you do know
That doing this will not show me that
I can be myself
Wasting time
Draw the line
Cause if you try to change me again
I might just put it up and let it slide...
