Intro : (Adam Lobb)

I Just Wanna Say

Rest in Peace Amanda Todd

Text 1 : (Adam Lobb)

man i took that time, took that time to chill
back on the beat, at the top of the hill
unfinished business, that was really something
but to me man, that was really nothing
i'ma come back hard, spazz like a retard
don't get it twisted, shouts to them their gifted
shouts to the disabled, they just normal people
they shouldn't be labled , but people are just so evil
man music is my drug, it makes me feel good
gangster music, got me feeling hood
rnb music got me feeling horny
fuck that rock and roll shit, that fucking bores me
hiphop god damn, it's got me telling storys
oh, i'm back and im hungry, like a fucking african
i'm just being creative, stop with the panicking

Chorus (2x) : (Adam Lobb)

yeah I'm back again man, my flows songs don't stop
i'm always back better songs like oh my god
ain't no one better i'll throw em over board
don't fuck with me man i own you frauds

Text 2 : (Dr. Real)

You Got, God Took my Girl Amanda Todd

Strange Feelings, Feel it Really Awed, You Gave Only
Fuckin' Nod

Sometimes I Feel Lil' Bit Flawed, Always When I Roll
on Floor

Rest In Peace, Candle on Your Grave, You Arrived at
Your Shore

Sometimes I Feel Fucking Bored, Wanna Close My Door
Or Score with Four for my War, I Wanna See my Gore
It's Your Way, You Looking for More

Just Stay For a Day, You Can Win, You Can Score

I'm Like a Hulk, You Can't Stop me

You Can't Drop Me, You Can't Swap Me

Just If You Want to Prop me, If You Want a Top from me

When You Find Love for me, That's my Number just
to Call me
I'm Back Again, No More Tear, No More Cry
See My Eye, You Ask Why? Fuck You are Dry, Just Shut
Up and Die
You Shouldn't Say Bye, If You Always See my Name
on the Sky
Never Lie, It's my Fuckin' Chi

Chorus (2x) : (Adam Lobb)
yeah I'm back again man, my flows songs don't stop
i'm always back better songs like oh my god
ain't no one better i'll throw em over board
don't fuck with me man i own you frauds

Text 2 : (Dr. Real)
Back Like I Never Left
Rhymes Like Punchline, Never Theft
Maybe I'm Less Deft, Maybe I'm Heft
But I Know I Can Make a Cleft
Lock and Load, Doin' Click Clack
I'm Always Better, I Don't Use to be Black
I Works on Snack, Not On Plague, Called Crack
I Insert Jack, Just to Release new Mixtape Pack
I'm Able to Attack from the Behind, Maybe It's
My Hack
Maybe It's My Lack, Maybe I'm Blind, But
Always Use to Find
See Into Your Mind, What's Kind of the Grind, I Got
a Fine
See You Going Throught the Streets if It's Cold
Wind there
This Was Rare Day, Write a Status on the FB about
Prayer
Jesus Give a Like, God Got a Share
Maybe You Are Scare, Just Care What You Breath from
the Air
You Know, It's my Glare from the Flare

Chorus (2x) : (Adam Lobb)
yeah I'm back again man, my flows songs don't stop
i'm always back better songs like oh my god
ain't no one better i'll throw em over board
don't fuck with me man i own you frauds
