Auf wiedersehen miss Merkel,
you are not my friend.
When i tell you merhaba,
you dont understand.
Cantare Berlusconi,
prostitution story,
His libido running country,
taking all the glory.

If you wanna meet me mister Sarkozy,
you will have to learn my language,
parle-vousz gipsy.
Don't want to be annoying,
please don't get me wrong.
I'm sick of being european just on eurosong.

Just on eurosong! 8x

This is a winning song of eurovision.
Maximum points no split decision.
Around continent telephone vote.
Unite diaspora unite europe.

All around the europe,
right wing taking power.
They want to kick me out
so i live undercover.
While royal family,
live in quarantine.
There's no really guarantee,
that god will save the queen.

European parliament,
sitting in the Brussels.
No one takes them seriously,
just another hustle.
Don't want to be annoying,
please don't get me wrong.
I'm sick of being european just on eurosong.

Just on eurosong! 8x
