You say you love me girl,  
Well I think I love you too  
Say that you mean it and ill pretend I did too  
You say you want to be alone with me  
But I feel alone with you  
So whoâ€™s coming home with me  
Tonight, ok, alright, ok, alright, ok  
Im out of my mind  
Your wearing that dress, oh my chest hurts,  
So \_\_\_ I canâ€™t handle it  
I aint no designers girl,  
But lâ€™ve got the designs to do  
The craziest shit tonight  
When I get that dress of you  
You say you got to get to know me first  
First thing I think your cool  
Second I like to rock  
And three can I see you with me  
Tonight, ok, alright, ok  
Im out of my mind  
Your wearing that dress  
Oh my chest hurts  
So \_\_\_ I canâ€™t handle it  
So who wanna get some lovin  
Who wanna get some love  
So whoâ€™s coming home with me  
Tonight, ok, alright, ok, alright  
lâ€™m out of my mind  
Your wearing that dress oh my chest hurts  
So \_\_\_ I canâ€™t handle it
