And I am telling you  
Im not going  
You're the best man I'll ever know  
There's no way I can ever go  
No, no, there's no way  
No, no, no, no way I'm living without you  
Im not living without you  
I dont wanna be free  
Im staying  
Im staying  
And you, and you  
You're gonna love me, oohh ooh mm mm  
You're gonna love me

And I am telling you  
I'm not going  
Even though the rough times are showing  
There's just no way, there's no way  
We're part of the same place  
We're part of the same time  
We both share the same blood  
We both have the same mind  
And time and time, we've had so much to see and  
No, no, no, no, no, no  
Im not waking up tomorrow morning and finding that  
there's nobody there

And I mean there's no way  
No, no, no, no way Im living without you  
Im not living without you  
You see there's just no way, there's no way

Tear down the mountains  
Yell, scream, and shout like you can say what you want  
Im not walking out  
Stop all the rivers, push, strike, and kill  
Im not gonna leave you  
There's no way I will

And I am telling you  
Im not going  
You're the best man I'll ever know

There's no way I can ever, ever go  
No, no, no, no way  
No, no, no, no way Im living without you  
Oh, Im not living without you, not living without you  
I dont wanna be free  
Im staying, Im staying  
And you, and you, and you  
You're gonna love me

You're gonna love me, yes you are  
Ooh ooh love me, ooh ooh ooh love me  
Love me, love me, love me, love me  
yeah, yeah...
