"Come What May"

Never knew, I could feel like this,
Like I've never seen the sky before
Want to vanish inside your kiss
Everyday I love you more and more
Listen to my heart can you hear it sing
Telling me to give you everything
Seasons may change, winter to spring
But I love you, until the end of time

Come what may, come what may
I will love you, until my dying day

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste

The world revolves around you

And there's no mountain too high, no river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather,
And stars may collide

But I love you, I love you
Til the end of time (Until the end of time)

Come what may, Come what may
I will love you, until my dying day
Oh come what may, come what may
I will love you (I will love you)
Suddenly the world seems such a perfect place

Come what may, Come what may
I will love you
Until my dying day
