Some people live for the fortune
Some people live for the fame
Some people live for the power
Some people live to play the game
Some people think that the physical things
Define what is within
I've been there before
That life's a bore
So full of the superficial

Some people want it all
I don't want nothing at all
If it ain't you baby
I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you

Some people search for a fountain
That promises forever young
Some people need three dozen roses
And that's the only way to prove you love her
Hand me the world on a silver platter
And what good would it be?
With no one to share
With no one who truly cares for me?

Some people want it all
I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you
Some people want it all
I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything

But everything means nothing
If I ain't got you
