CHORUS: Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no one else but you
Would I lie to you baby
Would I lie to you Everybody wants to know the truth
In my arms is the only proof
I've hidden my heart behind the bedroom door
Now it's open I can't do no more
I'm telling you baby you will never find another girl
In this heart of mine (repeat chorus) Everybody's got
their history
On every page a mystery
You can read my diary you're in every line
Jealous minds never satisfied (satisfied) I'm telling you
baby you will never find another girl
In this heart of mine (repeat chorus) (Would I lie to
you) When you wanna see me night and day (would I lie
to you) If I tell you that I'm here to stay (Would I lie to
you) Do you think I give my love away (would I lie) That's
not the kind of game I play I'm telling you baby you will
never find another girl
In this heart of mine
