Don't push your luck too hard  
Never hurt my heart  
Don't disappoint me  
If you love me  
If you love me

You turn the other way  
Don't you hear me say  
If you love me  
Don't disappoint me  
Don't disappoint me

In this world  
Where nothing seems to be alright  
Don't ever turn your back to me  
And say goodbye  
Don't disappoint me

In this world  
Where nothing seems to be okay  
Don't ever turn your back to me  
And go away  
Don't disappoint me  
Don't disappoint me

You say you think of me  
How can I be sure  
If you love me  
If you love me  
Do you love me

You're gonna say goodbye  
Baby tell me why  
You disappoint me  
Though you love me  
Say you love me

In this world  
Where nothing seems to be alright  
Don't ever turn your back to me  
And say goodbye  
Don't disappoint me

In this world  
Where nothing seems to be okay  
Don't ever turn your back to me  
And go away  
Don't disappoint me  
Don't disappoint me

Don't make me sad  
Don't make me sad  
Don't make me sad  
Don't make me sad

Please don't say goodbye  
Stay one more night  
And make it alright

In this world  
Where nothing seems to be alright  
Don't ever turn your back to me  
And say goodbye  
Don't disappoint me

In this world  
Where nothing seems to be okay  
Don't ever turn your back to me  
And go away  
Don't disappoint me  
Don't disappoint me
