It's another summer night  
Nothing seems to be so right  
'Cause dinner with my boyfriend turned again to be a  
fight  
And like this is not enough  
I end up walking in the rain  
All wet and lonely thinking only what went wrong this  
evening  
And I must get back to you  
There is nothing else to do  
But I called to and decide this time I'll make the move  
When your life is showing nothing  
But some misery and pain  
Turn it up or turn it down but try to find this feeling  
Sex while a taxi ride  
You and I on the hot back seat  
What a drive, what a summer night!  
Making love on all four wheels  
Sex while a taxi ride  
Steamy windows roll the street  
There's no reason to be shy  
Around the block I feel your love on me  
Au (I feel your love on me)  
I'm not going to change it all  
Quit the game and lose the ball  
But I'd better take a chance before my sky begins to  
fall  
I just found a great new way  
To add some spices to my life  
It's a new sensation, taxi station, kisses while we're  
moving!  
Sex while a taxi ride  
You and I on the hot back seat  
What a drive, what a summer night!  
Making love on all four wheels  
Sex while a taxi ride  
Steamy windows roll the street  
There's no reason to be shy  
Around the block I feel your love on me  
Au (I feel your love, I feel your love on me)  
Sex while a taxi ride  
Au on the hot back seat

What a drive, what a summernight  
Let's make love on all four wheels  
Sex while a taxi ride  
Taxi ride, taxi rides  
There's no reason to be shy  
Around the block I feel your love on me
