Why me, why you  
Play so cool  
That we end up feelin' blue  
There's me and there's you  
'Cause a fight always needs two  
Why me  
Just can't see  
That we're falling much too deep  
It's so hard to keep  
Love like it used to be  
It's two a.m.  
It's going to be a sleepless night again  
My friend, you let me down  
And crying in the rain  
I feel like there's a wheel of fortune  
Running free  
Over me  
Why me, why you  
Play so cool  
That we end up feelin' blue  
There's me and there's you  
'Cause a fight always needs two  
Why me  
Just can't see  
That we're falling much too deep  
It's so hard to keep  
Love like it used to be  
By and by  
When love has gone away  
And said goodbye  
We find it takes so much  
To keep our love alive  
I feel like there's a wheel of fortune  
Running free  
Over me  
Why me, why you  
Play so cool  
That we end up feelin' blue  
There's me and there's you  
'Cause a fight always needs two  
Why me  
Just can't see

That we're falling much too deep  
It's so hard to keep  
Love like it used to be  
Love like it used to be
