#### Verse 1

I'll make the effort and tell the truth  
I'll give it all what we go through  
oh girl, you've got me lying here on the floor

#### Verse 2

I'm sure we'll have our ups and downs  
I'll tell ya now I'm not going anywhere o  
h girl, you've got me lyin' here on the floor

#### Chorus

Oh maybe you could be the one that I love  
so I will shout the words from the top of my voice  
say you would understand  
I wanna be your man

#### Verse 3

I picture your smile when you're not here  
it makes me want you more and more  
oh girl, you've got me lyin' here on the floor

#### Chorus X2
