every time I'm crying  
every time I'm crying you  
or rather be escaping  
or rather escaping from you  
true  
is only me I'm bleeding  
it's be you change lames  
I'm. now.  
so how

things are getting easier now  
won't break up  
but other  
and every time I'm learning  
every time I'm running to you  
I'll rather be escaping  
I'll rather be escaping from you  
the truth  
is only me and .  
is me you changin lame and.  
is only me I'm drinking  
only me that carry locks  
things are getting easier now  
I wont' break up below  
the things are getting easier now  
I won't break out my love

I would come runnin  
I'll come runnin  
I'll come runnin  
and I'll come runnin to you  
but things are getting easier now  
I won't break up my love
