There's a want and there's a need there's a history
between girls like her and guys like me cowboys and
angels

I've got boots and she's got wings
I'm hell on wheels and she's heavenly
I'd die for her and she'd live for me
Cowboys and angels

We ride side by side a cloud of dust a ray of light
My touch is her temptation her kiss is my salvation
She's sweet I'm wild we're dangerous
Cowboys and angels

I'm not sure why her path crossed mine
Accident or grand design
Oh maybe god just kinda likes
Cowboys and angels

We ride side by side a cloud of dust a ray of light
My touch is her temptation her kiss is my salvation
She's sweet I'm wild we're dangerous
Cowboys and angels

There's a want and there's a need there's a history
between
Girls like you and guys like me
Cowboys and angels
Cowboys and angels
Cowboys and angels
