I knew when she blew in she wouldn't stay  
Every now and then God makes one that way  
A red head wild child with storms in her eyes  
I knew I'd never be the same  
That's the thing about a hurricane  
She's all lightning and wind and rain  
Get too close and you're swept away  
Better hold on till it breaks  
Cause it's a hell of a ride if you can just survive  
the pain  
That's the thing about a hurricane  
She said she was runnin' from her past  
And every breath she stole felt like my last  
And her kiss told me "better get on outa there"  
But I was too far gone to care  
And that's the thing about a hurricane  
She's all lightning and wind and rain  
Get too close and you're swept away  
Better hold on till it breaks  
Cause it's a hell of a ride if you can just survive  
the pain  
That's the thing about a hurricane  
Now even in blue skies there ain't no forgettin'  
Is it any wonder they name 'em after women  
And that's the thing about a hurricane  
She's all lightning and wind and rain  
Get too close and you're swept away  
Better hold on till it breaks  
Cause it's a hell of a ride if you can just survive  
the pain  
That's the thing about a hurricane
