Ai no, ai no, corrida  
Ai no, ai no, corrida

I hold you, I touch you  
In a maze can't find my way  
I think you, I drink you  
I'm being served you on a tray  
You see girl, that's what I go through every day  
Is this the way it should feel  
So pinch me, I'm dreamin'  
But if it is don't let me know  
I'm drowning, don't save me  
This is the way I want to go  
You see girl, you thrill me, half kill me, that's what you  
do

Chorus:

Ai no corrida, that's where I am  
You send me there, your dream is my command  
Ai no corrida, I find myself  
No other thought, just you and nothing else  
You and nothing else  
Before I first saw you each day was just another day  
Night the lonely interlude just came, then blew away  
You know girl, everything was come what may until you  
fell in my life  
This spell that I'm under has caught me in a daze  
Your lightning and thunder sets my poor heart ablaze  
You see girl, you thrill me, half kill me that's what you  
do

Chorus

Ai no, ai no, corrida  
Ai no, ai no, corrida  
Chorus
