I was born by the river  
In a little tent  
And just like the river  
I've been runnin' ever since  
It's been a long, long time comin'  
But I know, a change is gonna come  
Oh, yes it will

It's been too hard livin'  
But I'm afraid to die  
I don't know what's up there  
Beyond the sky  
It's been a long, a long time comin'  
But I know, a change is gonna come  
Oh, yes it will

I go to the movie  
And I go downtown  
Somebody's tellin' me  
Don't you hang around  
It's been a long, long time comin'  
But I know, a change is gonna come  
Oh, yes it will

Then I go to my brother  
I say brother, brother help me please  
But he just winds up knocking me  
Back down on my knees, well

There were times that I thought  
I couldn't make it alone  
But now I'm able, I'm able  
To carry on  
It's been a long, a long time comin'  
But I know, a change is gonna come  
Oh, yes it will  
Lord, it's been a long time comin'  
But I know, a change is gonna come
