Lock me up, baby
Lock me up and throw away the key

We must be crazy or we're crazy in love
There's not much difference when you come to think of
it
The feeling hits you and it fits like a glove
When two heart rise and shine above it

We must be crazy, how we carry on
Just stay up playin' hide and seek with the dawn
Who could sleep when we're together this way
Tomorrow seems forever away

Mornin' comes early, dawn's right on time
Dream a dream of me, darlin' for you'll forever be mine
Mornin' is breakin', stars are fadin' to blue
May we never awaken if there's a dream comin' true

It won't be easy doin' nine to five
God makes coffee breaks to help us survive
When work is over, I come alive
Back in your arms, I know I've arrived

If I could catch the night tight in my hand
Say to the day go away, obey my command
I'm just the one who loves you, no Superman
I'm doin' the best that I can

Mornin' comes early, dawn's right on time
Dream a dream of me, darlin' for you'll forever be mine
Mornin' is breakin', stars are fadin' to blue
May we never awaken if it's a dream comin' true

Say we're crazy, say we're losin' our minds
Chasin' after rainbows, we'll never find
If it's crazy lovin' you lovin' me
Lock me up and throw away the key, baby
Lock me up and throw away the key, lock me up
Baby, lock me up and throw away the key

We must be crazy or we're crazy in love

We must be crazy or we're crazy in love
We must be crazy or we're crazy in love
We must be crazy or we're crazy in love

We must be crazy, crazy in love
We must be crazy or we're crazy in love
We must be crazy, crazy in love
We must be crazy or we're crazy in love
