Have yourself a merry little Christmas  
Let your heart be light  
Next year all our troubles will be out of sight

Have yourself a merry little Christmas  
Make the Yuletide gay  
Next year all our troubles will be miles away

Once again as in olden days  
Happy golden days of yore  
Faithful friends who were dear to us  
Will be near to us once more

Someday soon we all will be together  
If the fates allow  
Until then we'll have to muddle through somehow  
Have yourself a merry little Christmas now

Faithful friends who were dear to us  
Will be near to us once more

Someday soon we all will be together  
If the fates allow  
Until then we'll have to muddle through somehow  
Have yourself a merry little Christmas now
