Hey girl, I want you to know  
I'm gonna miss you so much if you go  
Hey girl, I tell you no lie  
Something deep inside of me's going to die  
If you say so long  
If this is goodbye

Hey girl, this can't be true  
How am I supposed to exist without you  
Hey girl, now don't put me on  
What's gonna happen to me when you're gone  
How will I live  
How can I go on  
How can I go on

Hey girl, now sit yourself down  
I'm not ashamed to get down on the ground  
And beg you to stay

Don't go away  
Hey girl  
No please don't go away  
Hey, hey girl  
No please don't go away  
My sweet girl  
I can't stand it  
Don't you go, no, no  
You gotta believe in me  
Don't go away, don't you go
