I've been around the world  
Had my pick of any girl  
I should be happy but I'm not I should be happy but i'm  
Everybody knows my name  
But it's just a crazy game  
Oh, it's lonely at the top

Listen to the band they're playin' just for me  
Look at all the people payin' just for  
All the applause and all the praise  
All the money I have made  
Oh, it's lonely at the top  
So take a tip from those who know  
Livin' high can bring you low  
You should be happy but you're not  
Listen all you fools out there  
Go on and love me, I don't care  
Oh, it's lonely at the top
