Oo wee, oh gee, oh well  
(Let me tell you, let me tell you)  
(Let me tell you, let me tell you)  
To be in love is swell  
(Let me tell you, let me tell you)  
(Let me tell you, let me tell you)

Your love alone is worth the price  
To make me feel like it's paradise  
You make my life so tender and sweet now  
I'm yours alone like a slave at your feet

Oo wee, oh gee, oh my  
(Let me tell you, let me tell you)  
(Let me tell you, let me tell you)  
I'll love you 'til the day I die  
(Let me tell you, let me tell you)  
(Let me tell you, let me tell you)

Your love and mine will show the whole world  
Just how much one boy can love one girl

Oo wee, oh gee, oh well  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)  
To be in love is swell  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)

Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you

Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you

Oo wee, oh gee, oh my  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)

(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)

Girl, I'll love you 'til the day that I die  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)  
(Let me tell you, let me tell you, let me tell you)

Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you

Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you, let me tell you  
Let me tell you, let me tell you
