Rise up rise up
Oh rise and show your power
Rise up rise up
Dance into the sun
Rise up rise up
It's time for celebration
Rise up rise up
Spirits time has come
Spirits time has come

We want lovin' and laughter again
We want heartbeat
We want this madness to end
We want dancin'
Wanna run in the street
We want freedom to live in this peace
We want power
Wanna make it ok
Want to be singin' at the end of the day
Children to breathe a new life
We want freedom to love who we please
Chorus
Talkin' 'bout the right time to be workin' for peace
Wantin' all the tension in the world to ease
We want to love
Run wild in the streets
We want to be free
We want to be free
We want to be free
Talkin' 'bout a new way
About changin' our names
Talkin' 'bout buildin' the land of our dreams
This tightrope's gotta learn how to bend
We're makin' new plans
Gonna start it again
Gonna start it again
We're gonna start it again
Chorus
Lovin'
Singin'
Dancin'
Feelin'

Startin' again
Chorus
