Coma se lloma mi llama
La samba (repeat)
Mi llama la samba la danza la amor

Samba samba es la musica fiesta todo noche
Samba samba es la musica mi corazon amor (repeat)
Trabajares todo dias
Y yo tengo no dinero (repeat)
Work too hard for too little money
Got me living from day to day
Pay day's a joke, it's not too funny
Don't take my samba away
Solamente la samba
How you say I love you?
Teamo
How you say I want you?
Quiero
How you say come on let's dance?
Vamos a la samba
