It's the time of the season
When love runs high
And this time, give it to me easy
And let me try with pleased hands
To take you in the sun to promised lands
To show you everyone
It's the time of the season for loving

What's your name? who's your daddy?
Is he rich like me?
Has he taken any time
To show you what you need to live?
Tell it to me slowly; tell you what
I really want to know
It's the time of the season for loving

It's the time of the season
When love runs high
And this time give it to me easy
And let me try

*oh, rock you in the sun
*oh, rock you everyone
Oh, loving

What's your name? who's your daddy?
Is he rich like me?
Has he taken any time
To show you what you need to live?
Tell it to me slowly; tell you what
I really want to know
It's the time of the season for loving

It's the time of the season
And it's time for loving
(repeat)
