Du Du DoDo Du Du DoDo Du Du DoDo Du Du....DoDo..
Oh OO OO OO Oh OO OO OO.....
How can I tell I'm Not Dreaming
When do I know that it's true?
Why is the heartache not healing?
I can't shake this feeling,
when I'm thinking of you.

Who is the face in the mirror?
Where is the man I once knew?
I can't believe that I've fallen
I hear your voice callin
Do I run back to you?

Why do I think I'm in Love?
(With the touch of your hand)
Why do I think I'm in Love?
(With the touch of your hand)
I loose all control
With the touch of your hand
It's a feeling I can't understand
With the touch of your hand.

How did you find my emotions?
You made it hard to be strong
Now it's to late to refuse you
I don't want to loose you
I've been waiting so long.

Why do I think I'm in love?
(With the touch of your hand)
Why do I think I'm in love
(With the touch of your hand)
I loose all control
With the touch of your hand
It's a feeling I can't understand

Oh oh Don't you let go
This is just the begining
Don't you let go
There are so many things that I wanted to say

Don't you let go
I've just got to know
If it's love, let me know where I stand
With the touch of your hand.

Oooh Ooooh With the touch of your hand
Oooh Ooooh

Why do I think I'm in love?
With the touch of your hand
Why do I think I'm in love?
With the touch of your hand.

With the touch of your hand
Why do I think I'm in love
Why do I think I'm in love
With the touch of your hand?

etc.....
