Tonight you're mine completely  
You give your love so sweetly  
Tonight the light of love is in your eyes  
But will you love me tomorrow

Is this a lasting treasure  
Or just a moment's pleasure  
Can I believe the magic of your sighs  
Will you still love me tomorrow

Tonight with words unspoken  
You say that I'm the only one  
But will my heart be broken  
When the night meets the morning sun

I'd like to know that your love  
Is love that I, I can be sure of  
So tell me now  
And I will not ask you again

Will you still love me tomorrow  
Will you still love me tomorrow  
Will you still love me tomorrow
