I find myself empty
Outer space, lonely
I find myself hopeless
I need come back to my place

Weightless
Weightless
Weightless
Weightless
Weightless

Dark matter, dark, dark energy [x4]

Nobody cares about it
I'm turning supersonic
Affecting my human body
Affecting my human body [x2]

There's no gravity [x8]

Sup, sup, sup, sup
Supersonic
Sup, sup, sup, sup
Supersonic
Sup, sup, sup, sup...
Supersonic, yeah

Nobody cares about it
I'm turning supersonic
Affecting my human body
Affecting my human body [x2]

There's no gravity [x8]

So why nobody cares about it
I went from dark to darker
I'm losing my ground
I'm losing my ground [x2]

Nobody cares about it
I'm turning supersonic
Affecting my human body

Affecting my human body

So why nobody cares about it
I went from dark to darker
I'm losing my ground
I'm losing my ground
