I'm all about my paper, ain't nothing greater,  
Came up like elevators, now I ball like baller  
They like my freestyle, but they gonna have to pay me

10 speed brand new Ferrari smell the flavor,  
Look up in the sky, thank God the be me  
So we gonna count it underneath the table it I'll be  
safer  
Dear Mr A.J I like been paid in full  
Stones kinda heavy, stick with rules,  
Stuck in the moment, then she back to a life,  
And I'm back to my lanes  
So where you goin, your life is on line  
From the party to the plane  
And your name is on road  
You findin your way back to the town,  
Away from the entire life  
Girls tryna give me hard time  
Like I'm switchin lanes.

Chorus

I stay on my zone nigga  
I go hard on these haters
