Here at least ya know, it's always gonna be a gray sky
Least I know with you it's always gonna be a bad time
You and me we play at games
We're never gonna get right
Least I know with you it's always gonna be a big fight
But it doesn't matter, doesn't matter
Doesn't matter, doesn't matter

Apathy is golden
Apathy is good
Apathy was stolen from the misunderstood
(been disconnected)

He's been like some black fly that's been swarming
around my head
Funny, but I thought 100% was yours

But it doesn't matter, doesn't matter
Doesn't matter, doesn't matter
No, doesn't matter, doesn't matter
Doesn't matter, doesn't matter
It doesn't matter, doesn't matter

Apathy is golden
Apathy is good
Apathy was stolen from the misunderstood
(been disconnected)
If I'm rejected I'll be protected

Apathy is golden
Apathy is golden
Apathy is golden
Apathy is golden
