Broken, I'm broken
I can't fix it up
I can't be repaired
Well, I'm broken, I'm broken
I'm all busted up
My life's in despair

The rain's falling down on my face
So my tears won't give me away
Drink a pint of dark
For my broken heart for a boy
Who may never return

Now it's broken at the neck
Now I can't get over it
And now I'm feeling like such a mess
I'm broken

Broken, I'm broken
Can't fix it up, I can't be repaired

I'm not bigger than this burden
And I can't be certain the color of my guitar
The murky past comes up again
And I'm standing on the bridge
Black water around my bed

Now it's broken at the neck
And now I can't get over it
And now I'm feeling like such a mess
I'm broken

Now it's broken at the neck
And now I'm trapped right under it
And now I'm feeling so depressed
I'm broken

Broken, I'm broken
Can't fix it up
I can't be repaired
Well, I'm broken, I'm broken
I'm all busted up now

My life's in despair

Well, I'm broken, I'm broken

I can't fix it up

I can't be repaired

I can't be repaired

I can't be repaired

Oh no, I can't be repaired
