Come over, do what ya do to me
Pretend we just want to watch TV
You're over most every night and day
But you never really feel the same

Yeah, 'cuz you're my dragonfly
Yeah, well, you're my dragonfly
You're my dragonfly
You're a drag

Your limbs are strewn around my bed
Your eyes burn a hole right in my head
Your hands just hang right in the air
And your mouth is tickling me everywhere

Yeah, 'cuz you're my dragonfly
Yeah, 'cuz you're my dragonfly
You're my dragonfly
(You're my dragonfly)

You're my dragonfly
(You're my dragonfly)
You're my dragonfly
(You're my dragonfly)
You're a drag

You've been hangin' around my head
You've been hangin' around my head
You've been hangin' around my head

Won't take long to get inside my brain
When you're gone a wrinkle in time remains
Well, I like to fly with you around my room
But please don't take me back to soon, yeah
I said yeah, I said yeah, yeah, yeah, yeah, yeah

You're my dragonfly
You're my dragonfly
('Cuz you're my dragonfly)
You're my dragonfly
(You're my dragonfly)

You're my dragonfly
(Well, you're my dragonfly)
You're my dragonfly
(You're my dragonfly)

You're my dragonfly
(I am a dragonfly)
You're my dragonfly
(I am a dragonfly)
You're a drag
