She was such a pretty suicide  
Oh, what a beautiful mess  
She was such a pretty suicide  
Right now she looks her best

Over fifty story fall to stardom  
Found her fame top of a car  
Fifty stories, she could have told  
How life pushed her a little too far

And she was such a pretty suicide  
Oh, what a beautiful mess  
She was such a pretty suicide  
Snap a photo so you don't forget it

Now I often stop and wonder  
How on earth she could have done it  
Twisted up yet all fixed up  
And how I wish I could have held her

And life can be so cruel  
To such a pretty girl  
She's made it all so clear  
Out the window with all her fear

Ya know, she was such a pretty suicide  
Oh, what a beautiful mess now  
She was such a pretty suicide  
Oh, what a beautiful mess now

She was such a pretty suicide  
Oh, what a pretty suicide  
She was such a pretty suicide  
Oh, what a pretty suicide

Oh, what a pretty suicide  
Oh, what a pretty suicide
