When I first heard this sound
I couldn't put it down
It made my life complete
Aint it neat
And when I went to bed
It went clawing at my head
It made me feel so dirty
Made me feel so clean

I want be your rock n' roll
I wanna be your rock n' roll
Ya know I wanna be your rock n' roll
And it's only 'cause I like it
Ooh yeah, I like it
Oh, yeah

And if I can be that
Then put me in your hat
And wear me on your head
Yeah, that's what I said
Well, if I can't be that
Then pour me in your cup
C'mon drink me up, c'mon drink me

I wanna be your rock n' roll
I wanna be your rock n' roll
Ya know, I wanna be your push n' pull
And it's only 'cause, I like it
Ooh yeah, I like it
Oh, yeah

And you know I like it when you spit
Oh, I like it when ya spit
And when you do that
You know I'm getting wet
Wear me on your head
Yeah, that what I said

I wanna be rock 'n roll
I wanna be rock 'n roll
Ya know I wanna be your push n' pull
And it only 'cause' I like it

Ooh, yeah, I like it
Oh, yeah

I wanna be your rock n' roll
I wanna be your rock n' roll
I wanna be your heaven n' hell
I wanna be your push 'n pull
"cause I like it
I wanna be your rock n' roll
