"Sunday Morning"

Sunday morning brings the dawning
It's just a restless feelin' by my side
Early dawning
Sunday morning
It's just a wasted year so close behind

Watch out
The world's behind you
There's always someone around you who will call
It's nothing at all

Sunday morning and I'm falling
I got a feeling I don't want to know
Early dawning
Sunday morning
These are the streets you crossed not so long ago

Watch out the world's behind you
There is always someone around you who will call
It's nothing at all

Watch out
The world's behind you
There's always someone around you who will call
It's nothing at all
