Verse 1:

I don't know why this love just passed me by
I don't know how to carry this one maybe because this
is my first time

A friend maybe but now it leveled up and he courted
me
I've tried so hard just to find love for him.
But I just can't give the love that he's longing for

Refrain:

Maybe I'm not meant for you
And you are not meant for me too
I just can't love you more than friends
I hope our friendship never ends
Because I...

CHORUS:

I treasure our moments together sharing laughter and
dreams with one
Another, always counting on each other and I hope this
will last forever

Hmmm... hmm...

Verse 2:

On that day, I said "No" to you and it's okay.
Because you promised that you will stay,
Whatever answer that I will say

I'm suprised that even after that I see your smile
And seems like there is no chance at all, but I can feel
that it hurts you
Inside

Refrain:

I'm happy that you didn't change
Hoping tomorrow will be the same
But I didn't even ask you to
Hide you feeling for a day
Because I...

(Repeat Chorus 2x)

Coda:

Ohhh... But we're not meant together
Ohhh... So I'll just,
"TREASURE it forever."
