You were lurking in the dark  
Seeking deep inside my heart  
Winter cold was in your eyes  
with the fire of the damned

You walk to me between the crowd  
The way you look, erases doubt  
We dance and shout with that fast beat  
Desire grows high inside me

Sexy  
everything you want of me is  
Deadly  
you move, you look at me, you smile so  
Sexy  
fall in love with you will be  
Deadly  
'cause you're my final sin

Sexy, deadly thing

When you look at me  
I paralyze  
When I'm touching you  
the world stops  
When you're kissing me  
I cannot breath  
'cause I'm feeding you  
You, evil threat

(sexy) (deadly)

"Come on, love me one more time.  
You and I will be like one"  
words you say while shadows fall  
Desire grows high inside us

Sexy  
everything you want of me is  
deadly  
you move, you look at me, you smile so  
sexy

fall in love with you will be  
deadly  
'cause you're my final sin

Sexy, deadly thing

let's do it nowâ€¦

Oh! Sexy  
you're so bad, you're so bad, you're so  
deadly  
come on to me, come on and do it all so  
sexy  
I will not fall in love with you, 'cause you're  
deadly  
But you're mine, you're mine, you're my sexy

Come on!

You're my final sin

Sexy deadly thing
