song 1

i'm a son
without parents
this bout' my story i think i can't tell this story
but i'm trying to speak to you i'm orphan son
i have only brother and sister

song 2

my mom leave me when i'm sixteen
she had cancer i can't stop thinking bout' her
how she scold me and how she dissapoint at me
now my life it's not full again

bridge

my father had diabetes he died of a heart attack
i can't forget when he hug and give me support
my father had diabetes he died of a heart attack
i can't forget i can't forget

reff

now it's just memory
and my life now i just see they
in a photo or a video
i'm just crying when i see all this
