Marvelous is just the word I'm looking for
Write it in your head now
And let me be the number two
'Cause I am into Charlotte
And she'll be learning how to speak
A million words are dying
And she'll be golden

Go to lost and founders
And I won't sell you this one
It's always Riley, no
And I won't sell you this one

No one is better than the shallow man
But I don't have to take this
But what the hell did you expect
I am into Charlotte
And she'll be learning me how to speak
Leave all you camels mumbling
You will cope with it

And I won't sell you this one
It's always Riley, no
And I won't sell you this one

Charlotte

Charlotte

Reminder that four will always be around
But your great tree is falling
And she's not what you're heading for
You're not into Charlotte

And I won't sell you this one
It's always Riley, no
And I won't sell you this one
