### "Green Grass"

I can remember long ago  
Mom put me and my bros on a pedestal  
But that's what moms do  
We're no worse no better than you!  
Denial hurts

[Chorus]  
The grass is always greener  
The grass is always greener  
The grass is always greener, on our side of the fence

The fruit don't fall from the tree  
There's too much of my family in me  
Blind eyes to what I hide  
What you don't see can hurt inside  
Denial first

[Chorus]  
Denial, denial, denial, denial

We're better than the neighbors  
And their army of brats  
"My little angels 'would never do that"  
Denial hurts
