I gotta go  
You know the drill  
The cab won't wait  
I'll call you soon  
You know I will  
I'm running late  
And I,  
Don't Like goodbyes  
I never loved  
I never cared for  
Anyone but you  
Everytime I close my heart  
You feel it too  
But I,  
Can't say goodbye

Night and Day  
I'll keep you waiting  
All alone, all alone  
Night and Day  
I'll keep you waiting  
All alone, all alone again  
Alone again

In a room  
I don't know why  
I am hiding  
Don't need to scream  
Don't need to cry out  
Don't need to tell you why  
Don't like good byes

Night and Day  
I'll keep you waiting  
All alone, all alone  
Night and Day  
I'll keep you waiting  
All alone, all alone again  
Alone again

I'm turning in

It's 5 am  
And I still wonder  
How've you been  
Are you ok  
I should have called  
But I,  
Can't say good bye

Night and Day  
I'll keep you waiting  
All alone, all alone  
Night and Day  
I'll keep you waiting  
All alone, all alone again  
Alone again
