The fit doesn't seem to matter,  
La is a new pair of shoes 4:29 watching tv  
Cameras roll at Floreance and Normanddie  
No sitcoms, talkshows or movies  
Got the televised beating of Reggie D.

[Chorus:]

It isn't heaven for the City of the Angels  
Don't turn the channel on the tv yet  
Got no time to watch the A team  
Los Angeles is burning!

The lights we see on tv burn forever  
Sit in the therapy lounge and take notes  
Past had lee harvy and the Kennedys  
We got out riot and Rodney king

[Chorus]

News brings desperate people and high ratings  
Broadcast just seems to fan the flames  
Please put back roseanne or the bradys  
(We interrupt this program for a special news bulletin)  
Hey Lucy! I'm Hooome!
