"Good By Joe"

We were lost in the fair
on the highland
good by Joe
with the sky and the deer
on the highland
good by Joe
Time is full of changes
and now you've got to go
don't forget that we loved
on the highland
good by Joe
good by Joe
yes I understand
I'm tryin' not to cry
but if I do
it's only cause I'll miss you
one last time let me kiss you
I remember
when you came a calling
good by Joe
like a sunrise

that rose without warning

good by Joe

Time is full of changes

and now you've got to go

and we walked

on a Manhattan morning

good by Joe
