Oh, this is
My first time
Soul mate that I have
But you broke it
You broke it
You broke it with your new
New mate
You love
And I hate it
I hate it

But I always thinking

Chorus
Hey
I can't stand by now
Cauze of everyday I think
I need you
And
Every sleep, every night
I always dreaming you
And I am
Saying
Please leave me
Leave me along
And I think
I need you

Woah

She
She take my place
She take my place
But not all my move
Cauze
I can make you smile
I can make you laugh
By sharing each story
Yes I made it
I made it

And I always thinking

Chorus

Hey
I never felt so good to be so wrong
But times ago are going long
And I can't move on
Woah oh
But now I wake
And I will say
Hehehehey

Chorus

And i need you woah
