I'm a beast! A cobweb hero.
I can feel the room breathing with rolled up dollar bills.
Reflecting in your crystal Chanel. You choose drugs
over us.
I'm like blood on the asphalt.

And I stood! And watched the world go by...
My shelter, (torn apart) torn apart in a blink of an eye!
You're all I ever wanted! You're all I ever needed....to
break!

You're so hardcore. You're like the smell of gasoline.
Another salty lesson of life. Loyal spiders tease with
every step.
Like blood on the asphalt.

And I stood! And watched the world go by...
My shelter, (torn apart) torn apart in a blink of an eye!
You're all I ever wanted! You're all I ever needed!
So I stood and watched the whole world die!
Face to face....Embers rain like grenades...
You're all I ever wanted! You're all I ever needed...to
break!

So long.....
What did you say to me? To make me give in so easily!
I was invincible! (you took me far away....took me far
away)
How did I manage without you for years and years?.....

And I stood! And watched the world go by...
My shelter, (torn apart) torn apart in a blink of an eye!
You're all I ever wanted! You're all I ever needed!
So I stood and watched the whole world die!
Face to face....Embers rain like grenades...
You're all I ever wanted! You're all I ever needed...to
break!

White Lines.....(White lines...)
White Lines.....(My destructive belief)
White Lines.....(It was only a dream)
White Lines.....(I'm not ready to let go)

OF EVERYTHING I KNOW.....
