Farewell to fiction, so long to sorrow  
No complications- no hurt tomorrow  
I'm tired of losing time,  
I'm leaving loneliness behind  
I guess I've had enough of giving up.  
If we all fall like dominoes,  
Never look back, never look back  
If we all fall like dominoes,  
Never look back, never look back  
Woah-oh-oh-oh-oh  
Never look back, never look back  
Woah-oh-oh-oh-oh  
Never look back, never look back  
Farewell frustration, so long to sadness,  
No isolation, there's no pain inside us.  
I'm through with troubled times,  
I'm sick of all the sleepless nights  
I guess I've had enough of giving up.  
If we all fall like dominoes,  
Never look back, never look back  
If we all fall like dominoes,  
Never look back, never look back  
Woah-oh-oh-oh-oh  
Never look back, never look back  
Woah-oh-oh-oh-oh  
Never look back, never look back  
Heartaches, breakdowns, mistakes & come downs  
lost love & bad luck, sometimes it all seems too much.  
pitfalls, man down, world wars, don't look now  
four walls, small towns, you can't let it break us now.  
If we all fall like dominoes,  
Never look back, never look back  
If we all fall like dominoes,  
Never look back, never look back  
If we all fall like dominoes, (If we all fall, like dominoes)  
Never look back, never look back  
If we all fall like dominoes, (If we all fall, down like  
dominoes)  
Never look back, never look back  
Woah-oh-oh-oh-oh  
Never look back, never look back  
Woah-oh-oh-oh-oh

Never look back, never look back
