Guy:

Without you baby I feel worthless
I'm living on the edge

Elise 5000:

Verse

Now that you're gone
I want you to come home
Sorry I was wrong
And I apologize
Baby please
I'm down on one knee
I will do anything
To get you to realize
I need you
You need me too
What I want you to do
Is to make you touch me

Hook

I want you to touch me
I want you to love me
Love me love me
Love me

Chorus

Come (ayeee)
Cause these tears I cry are real to me
I don't know I don't know how to make it okay

Come (ayeee)
Cause these tears I cried a thousand times
And these deaths I've died I'll never be alright

(aoww)

Woah(x6)

Come (ayeee)
Cause these tears I cried a thousand times
And these deaths I've died I'll never be alright

(aoww)

Guy:

I have to be honest with you baby
I lied when I told you I never wanted to see you again
Can you stay just for the night?
