The lead coating of the sky turns into a moldy wall
And monastic bells rythmically beating
Ragman, lawyer and accountant of Tammany Hall
Waiting for a stockholders meeting

Now I hear a raging voice knocking on a Heaven's door
And I am a man who plays in commedia dell'arte
I am still step to the fore but
Nothing's really matter to me now 'cause I've got
personality disorder

I fell in love, yeah I fell in love, I fell in love with you

Transcendent imagination and simultaneously scene
And my existance is walking off with nothingness
Although my place and my position was unforseen
I have to clean my soul which was capricious

I found out where lies a one whose name was writ in the
air
And I am really ready to cross that locked door
All my dreams has been counted on a rocking chair
But after I disappeared somewhere

I fell in love, yeah I fell in love
I fell in love with you
Love you, want you, need you
And nothing's really matters to me now
Nothing makes me wonder

Stuck inside of mobile I haven't got any way
Yesterday's dreams tomorrow will fade away
Lying on a stones I am waiting for next day
Vexed questions seems to be such an easy
Impressionistic is this world for me
And say do you want to let it be?

Primo pro nummata vini ex hac bibunt libertini
Aliud agentes, aliud simulantes perfidi sunt
Et Titinho, et C. Norwid et Percy Bysh Shelley
Quidam indiscrete vivunt
Nihil agendo homines male agere discunt

I fell in love, yes I fell in love, well I fell in love
I fell in love with you
I fell in love, Amo te
I fell in love, Ama me
Tora dost daram, Ti voglio bene
Yes, I fell in love, I fell in love with you
I fell in love
